F	<div>Read the passage and answer the questions.</div>												

**Passage ١**

With more than ١٩٠ countries and ٧ billion people on earth, it is not hard to imagine that many cultures exist. No matter where you go around the world, you will face people, lifestyles and cultures that are different to what you have. People around the world have very different lives and ways of living. They have different beliefs and customs. So they usually live and behave according to what they believe to be right and wrong.

١٥-What does the word "face" in line ٧ mean?

- a) look                      b) need                      c) choose                      d) **meet**

١٦-What is the main idea of this paragraph?

- a) **There are many different cultures round the world.**  
 b) Many countries exist all over the world.  
 c) What people believe influences their culture.  
 d) The number of the different countries is too big.

١٧-What does the underlined word "they" in the last sentence refer to?

- a) lives                      b) beliefs                      c) **people**                      d) customs

**Passage ٢**

Pottery is one of the most ancient human inventions in our planet with a long history specially in Asia. This art is an old one in Iran. Iranian or Persian pottery refers to the pottery works made by an eastern style in Iran. Through centuries, many factors have influenced Persian pottery including religion and economy for example Islamic pottery with Islamic patterns like Kufi. Unimaginably, a large collection of Persian pottery is outside Iran at famous museums such as British museums. Today, this art is still alive with both modern and traditional styles. Modern artists have succeeded in attracting more customers who use their works as decorative items.

١٨-According to the passage, which one is correct?

- a) **Modern pottery has helped to keep this art alive**  
 b) People nowadays are not interested in pottery.  
 c) Unfortunately the old pottery is not active anymore.  
 d) Persian pottery can be found just in Iranian museums.

١٩-The underlined word "including" is closest in meaning to.

- a) above                      b) beside                      c) around                      d) **such as**

٢٠-The word "their" in the last sentence refers to .....

- a) customers                      b) styles                      c) **modern artists**                      d) traditional artists
