You may hear that polar bears are endangered. What does that mean exactly? Endangered means there are very few of that kind still alive. Someday they may become **extinct**. You may think what people can do to help endangered animals. People can protect plants and animals from becoming endangered or extinct. One way is to protect their natural homes.

People can make laws that protect plants and animals. **They** can make laws to protect their natural homes. Hunting laws do not allow people to hunt special animals. Some laws limit the number of trees that can be cut in forests. Other laws say that people cannot build homes, factories, or roads in special places. Laws can protect the air and water from pollution.

۱. What can people do to protect endangered animals?  
.....
۲. Do laws just protect animals and plants?  
.....
۳. In line 6, "**They**" refers to .....
۴. What does "**extinct**" mean?  
a. live longer    b. die out    c. destroy    d. protect
