۲	متن زیر را بخوانید و به سوالات پاسخ دهید. There are many words in English language. It's impossible to count the number of words in a language. Have you ever thought about where English words are from? Did you know many English words come from other languages? Many basic English words come from Old English, such as, England, house, woman, man, child, bird, water and etc. Other English words come from Latin, like, family, number, school, educate. Some English words come from French. For example, hotel and menu are two French words. Today English is an international language. Thousands of English words come from other languages. Every year hundreds of words come into English from new technology, e.g., internet, text message, e-mail and ... English speakers have "stolen" words from other languages and added them to English. That are known as "loanwords" or "borrowings," which are taken from other languages. The next time you hear one, tell your friends where the word originally came from! True/ False ۱. We can count the number of words in a language. ____ ۲. Many basic English words come from Old English. ____ Questions ۳. In line ۱۰, "them" refers to a. other languages b. words c. friends ۴.
