First they should Check (٣٦) their general health. Measuring blood pressure (٣٧) is the most important thing. They also need to know their family health history (٣٨) .	٢

Read the text and answer the questions.

What do you do at the weekends? Some people like to stay at home, but others like to go for a walk or play football. My friend, Jack, works hard in a factory during the week. At the weekends he always does the same things. On Saturday, he washes his car and on Sunday, he goes with his family to village. His aunt and uncle have a farm there. It isn't a big one, but there is so much to do on the farm. Last week, the children helped with animals and gave them their food. Jack and his wife helped in the field. At the end of the day, they all were hungry and Jack's aunt gave them a good dinner.

Questions

٣٩- Where and how does Jack work?

Jack works hard in a factory

٤٠- What did he do last week?

He helped in the field.
