L	<p>متن را با دقت بخوانید و به سوالات پاسخ دهید.</p> <p>A dictionary is a book which explains the meanings of words and expressions. You can find words easily because dictionaries put them in alphabetical order. The word 'dictionary' comes from the Latin 'dictio' ('saying').</p> <p>There are several types of dictionaries. Dictionaries which explain words and how they are used; dictionaries which translate words from one language to another; dictionaries of biography which tell about famous people; and technical dictionaries which explain the meanings of technical words.</p> <p>Dictionaries which explain what words mean give a clear 'definition' of them. A good dictionary also gives more information about words. For instance, it explains how they are pronounced. Usually the International Phonetic Alphabet (IPA) is used for <i>this</i> purpose.</p>	۴

	<p>There are also dictionaries which translate words into other languages. Very often one volume translates both ways; for example, half of the book is from English to Persian and the other half from Persian to English.</p> <p>27- Why can we find words in a dictionary easily?</p> <p>28- What is the difference between technical dictionary and biographical dictionary?</p> <p>29- The dictionary which the writer explains in last paragraph is <b><u>monolingual</u></b> or <b><u>bilingual</u></b>?</p> <p>30- What does "<b>this</b>" in line 11 refer to?</p> <p><b>True/False</b></p> <p>31- "For instance," is not a synonym for "For example". <b>True</b><input type="checkbox"/> <b>False</b><input type="checkbox"/></p> <p>32- The origin of the word "dictionary" means "saying". <b>True</b><input type="checkbox"/> <b>False</b><input type="checkbox"/></p>

Generosity comes from the heart and means giving without asking for anything in return. There are many small ways you can be more generous and make a difference in other people's lives. They do not take much time, but they do require thoughtfulness and effort. A simple kind word like “You look great today!”, a heartfelt thank you, or a friendly word it makes someone's day. It can make them smile and feel good. This is” the power of</p>	<p style="text-align: right;">۴</p>
